SLOTASTIC LOGO

Best Practice

Do's

· Use the Slotastic logo in the size provided

· Only one variation of the Slotastic logo should be displayed

· Be careful when placing the logo; ensure that the logo proportions are correct when scaling the image file

· The background must provide adequate contrast for the logo. If there is not enough contrast for the preferred colored version the one-color version must be used

Preferred full color

Preferred one-color

Reversed one-color

SLOTASTIC LOGO

Logo Mistakes to Avoid

Don'ts

· Do not place the Slotastic logo within a banner

· Do not use the Slotastic logo as part of your menu options

· Do not add or remove logo elements

· Never stretch, compress, or otherwise distort the logo

Do not:

Use the logo on yellow, orange and red background

Compress the logo, neither horizontal nor vertical

Add effects like shadows or gradients in the background
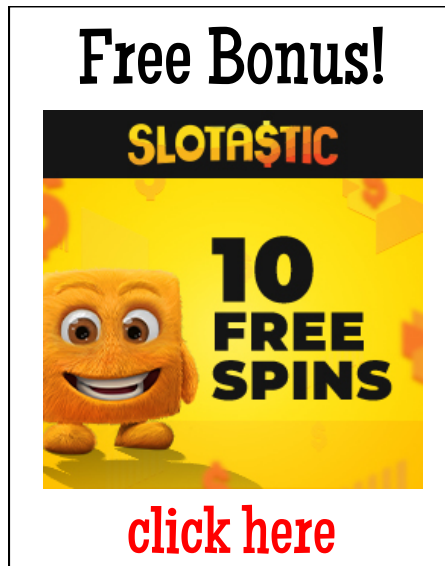

SLOTASTIC BANNERS

Best Practice

Do's

· Only use Slotastic marketing banners provided in the affiliate platform

· Use Slotastic banners only in the sizes provided

· Place banner ads correctly above the fold in a clear area close to the main content of the page

· Display only one Slotastic banner on a single web page

Don'ts

· Do not alter the banner size or layout to fit your web page. If you need a size that is not provided, please contact your affiliate team

· Do not add badges, text or graphics to a Slotastic banner

· Do not place a Slotastic banner within another banner

SLOTASTIC BANNERS

Banner Mistakes to Avoid

Do not place a Slotastic banner within another banner

Do not add badges, text or graphics to a Slotastic banner

Do not use multiple Slotastic banners to create your web page content
